671 South State Highway 7  
Grayson, Kentucky 41143  
(606) 474-7569 or Fax (606) 474-2662

## Application for New Utility Service

Application Date: \_\_\_\_\_

I am hereby requesting the Grayson Utilities Commission install the following type(s) of Utility Services:

Water:  Sanitary Sewer:  Natural Gas:

The Commission's policy is to make the tap on the WATER or GAS main line and extend the WATER or GAS service line 25 feet or the property line whichever distance is closer.

On New water service the Commission agrees to provide 35 lbs of pressure at the water meter. Any pressure problems beyond the meter will be the responsibility of the property owner.

The Commission's policy is to make the tap on the SEWER main line and extend the SEWER service line 13 feet or the property line whichever distance is closer.

All Tap Fees must be paid in full and a security deposit made before the new tap will be installed.

The water meter can be installed for construction use but, before it can be a permanent service we must receive a copy of the Kentucky State Plumbing Inspection Permit.

please select all that apply:

- Located within City Limits
- Commercial Property
- Located outside City Limits
- Residential Property
- Existing Structure
- New Construction

Please describe below in detail exactly where this service is to be located. If location does not have an address please list the closest neighbor and any specific landmarks and/or directions to the location.
